

MAX Access

Access to the Beta Release of MAX Spectrometer and the Corr5.

1. Go to SmartAlpha site here: <https://www.smartalpha.global>
2. Navigate to the “Membership” tab >> **Subscription Plans**

3. Click the “Sign Up” Button in the **MAX (Invite Only)** Box.

4. Go to “**New User**” Registration and Fill out the Form.

IMPORTANT: When signing up, please ensure you use a Different Email and user name from the one you used for SmartAlpha or Helios before.

The image shows a registration form with three input fields. The first field is labeled 'Email *' and is empty. The second field is labeled 'Twitter Name *' and contains an '@' symbol. The third field is labeled 'TradingView Username *' and is empty. The form is enclosed in a light gray border.

You will also need to enter your Twitter Name (found in your Twitter Account), and your TradingView Username.

NOTE:

- Please make sure you set up with your TradingView Username in the right box, some have incorrectly entered their email address in error.
- Secondly, TradingView Usernames are apparently **case sensitive**, so if you input it wrongly it will throw an error.

To find your **TradingView Username**, just look at your TV Profile. Left click on the drop-down menu in the upper right of your TV window. Your username will be at the top of your profile page.

IMPORTANT: In the Coupon Field, enter the Code **MAXDISC100**

WITH THIS CODE, YOU WILL NOT BE CHARGED FOR THE SUBSCRIPTION.

5. Check the Terms and Conditions box.

6. You will be redirected to **your PayPal account** to complete registration.

You may see a message indicating that you will be charged £60.

IT WILL NOT AUTO-RENEW IF YOU USED THE CODE ABOVE.

PayPal: You can checkout as a guest, you do not have to use a PayPal account, also, you do not have to register for a new account, deselect the Save Information default on the checkout page.

7. Once your MAX License is Activated, you will see the Indicators Available in the **“Invite-Only Scripts” folder** in your TradingView Account.

It's a manual process, please allow time to receive indicators.

Select **“Indicators”** tab. Invite-Only Scripts are in the drop-down menu. Make sure to refresh the page if you do not see it.

TradingView:

You will want to have the **Premium Account**, also, you can get data through TradingView.
