IMPORTANT NOTICE

The material presented in this textbook and on its accompanying DVDs is for educational purposes only. Random Walk, LLC (also known as RandomWalkTrading.com), its agents, employees and contractors are to be held harmless against any civil actions, as we are not acting as brokers, advisers or registered agents. Any material presented by Random Walk, LLC or other contacts made with the firm and/or its employees is not to be construed as investment advice or as a solicitation of funds. Trading involves risk. Trading in stocks, options, commodities and other derivatives is precarious and subjects you to the possibility of losses which have the potential to be greater than your original investment.

The material written by Random Walk, LLC is not a substitution for obtaining professional advice. None of the employees, even if registered as such, are acting as agents, mental health care professionals, accountants or lawyers. Random Walk, LLC and its employees recommend that you obtain advice from professionals in their respective fields before making any trading decisions. Any prior results mentioned or described in this textbook are not indicative of future performance. Random Walk, LLC and its employees indicate that the material contained within the *Options Professional* product is for illustrational, educational, and informational purposes only. **Furthermore, the customer and/or reader of this textbook agrees not to hold Random Walk, LLC or its employees responsible for any losses incurred before, during or after receiving the materials contained within this textbook and its accompanying DVDs.**

All sales are final after this textbook is removed from its shrink wrap and/or the seal on the case which contains the accompanying DVDs is broken; once said seals have been broken, none of the materials included in the *Options Professional* package may be returned, nor shall any refunds be administered. Students participating in this at-home course further acknowledge that they waive absolute liability, past, present and future, from Random Walk, LLC; said students also acknowledge that they are not entrusting Random Walk, LLC or its employees to act as legal, investment, health care or financial advisers.

By using this textbook and its accompanying materials, you agree to the following: You are responsible for compliance with the laws of your local jurisdiction regarding the import or export of this text and its accompanying DVDs, as well as any material therein contained. Random Walk, LLC is controlled, operated and administered from its offices within the United States of America. Random Walk, LLC makes no representation that the aforementioned materials are appropriate or available for use outside of the United States of America; and accessing them from territories where their contents are illegal is prohibited. You may not use the material you have purchased from Random Walk, LLC in violation of U.S. export laws and regulations. If you access said material from a location outside the United States of America, you are responsible for compliance with all local laws.
